## THE ARCHWAY OF HUI-STYLE ARCHITECTURE

### INTRODUCTION

On our planet, we have more than 200 countries on 5 continents with different cultural characteristics. These characteristics have been showing in many aspects of our lives. Among them, architecture is one of the most representative features that it shows us the evolution of people in different regions in history. Wang-style architecture is a wholly new building blocks set that specially designed for you, which allows us to travel the world to look for stories of time and history of architecture by these different styles of architecture around the world.
