PART ASSEMBLY ORDER

AFTER-SALES SERVICE

Contact us can visit www.jmbricklayer.com or via email Service@jmbricklayer.com or via our app **JMBricklayer**

Welcome each and every one who came to discuss business cooperation via email business@jmbricklayer.com.

You can find us on FACEBOOK and Twitter to get latest products information and activities.

Search **JMBricklayer** on FACEBOOK and Twitter.

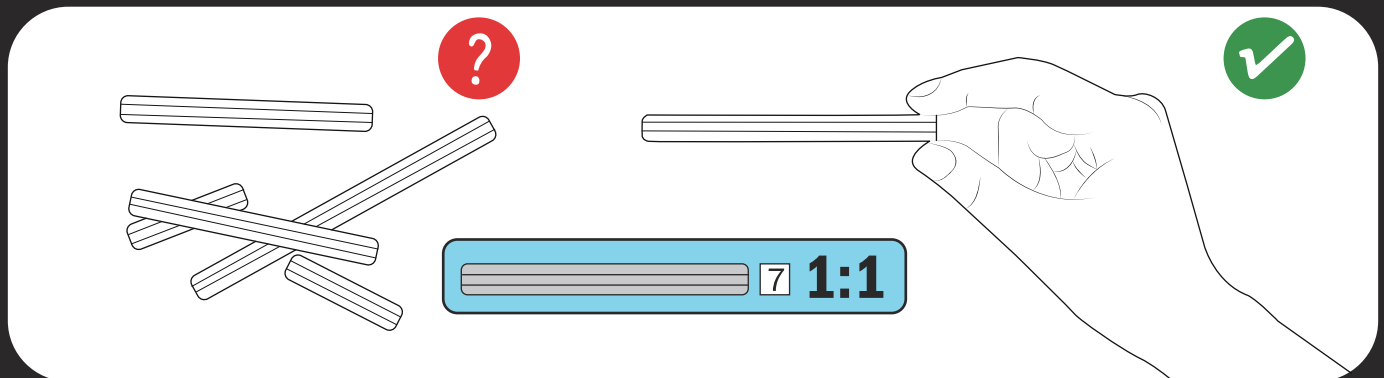

If you find something was missing or broken from your new **JMB** set. We do our best to make every set perfect and we take it very seriously when a faulty one sneaks through. Don't worry though, we can send you the parts you need!

Please upload a complete description of the part along with the set number via email:

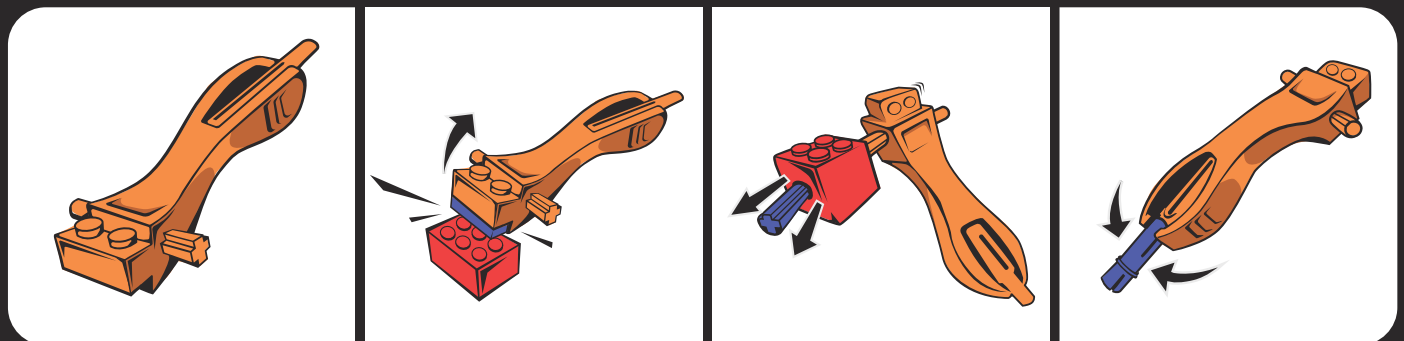

service@jmbricklayer.com or our app **JMBricklayer**

Once your part is on its way, we'll send you a shipping confirmation email.

BRICK COMPARISON UNITS

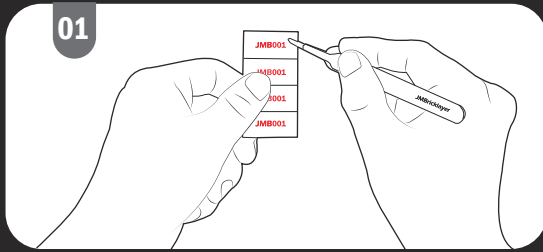

USAGE OF BRICK SEPARATOR

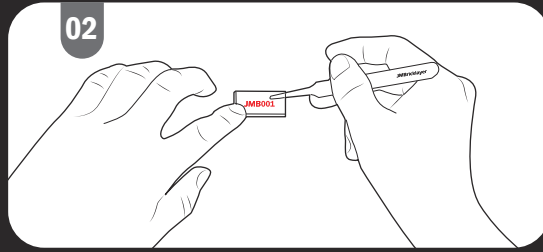

The color of accessories in the figure is only for reference. (Take the real object as the standard)

STICKER INSTRUCTION

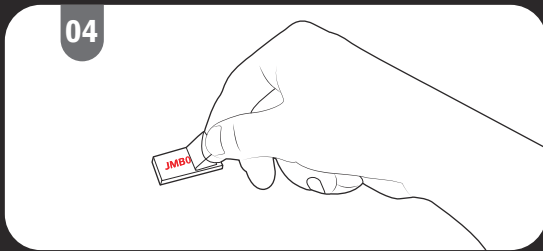

Pick up the transparent edge of the sticker with tweezers.

Align the position and stick it to the brick.

Press the sticker to make them stick tightly together.

Tear off the transparent film.

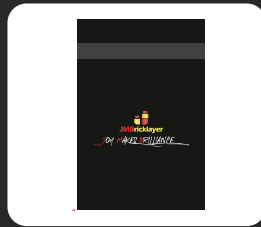

Note: Some sets come with fully printed brick pieces, in these cases, there are no stickers/decals. Please refer to the actual product for details.

WHAT'S INCLUDED

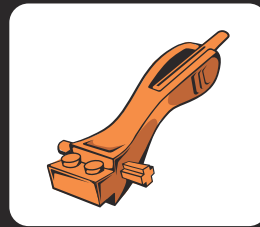

Please check and make sure you have all the items listed below.

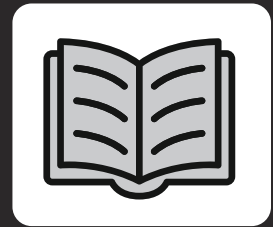

Building Bricks

LED Light kit

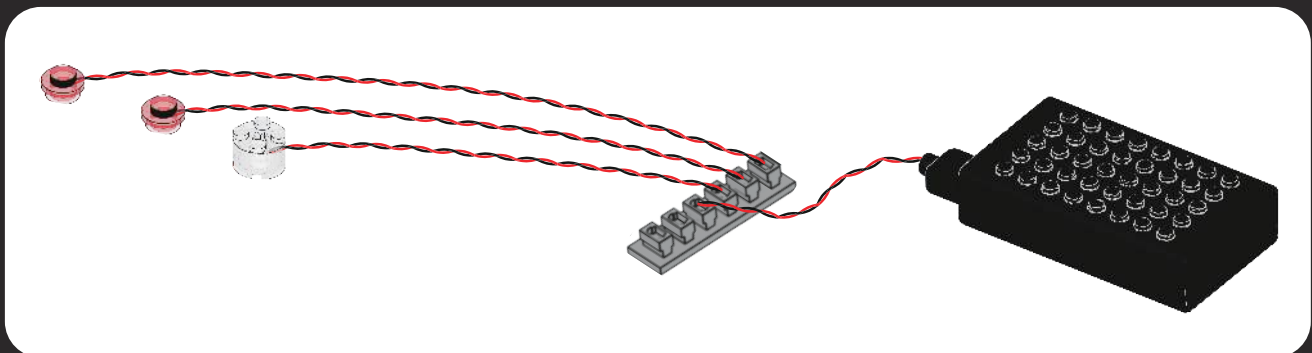

Brick Separator

User Manual

LED LIGHT KIT PACKAGE LIST

Please check carefully and ensure all the lighting accessories are inside the package. Please contact us if there is any missing components.

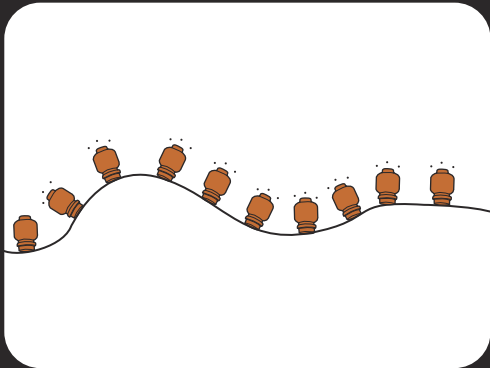

Note: Please take out and install your led lights carefully, no hard pulling, no bending or shaking, otherwise it might damage the lights.

USER INSTRUCTION

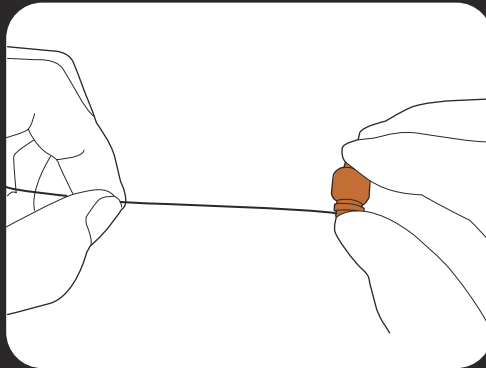

Please read the following carefully before installing the lights.

CAUTION:

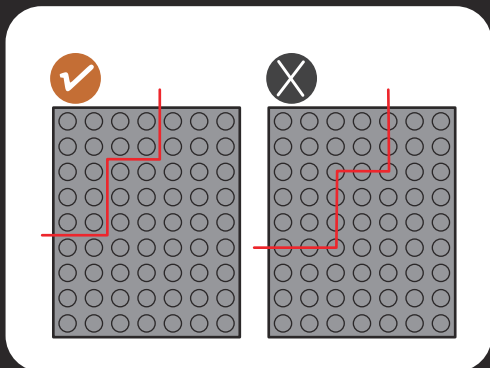

Different types of batteries should not be used together. This includes mixing old and new batteries, as well as mixing alkaline, carbon-zinc, and rechargeable nickel-cadmium batteries.

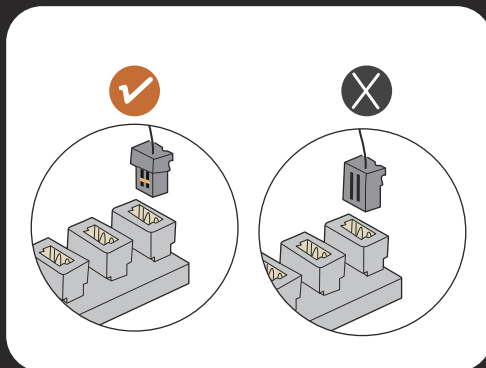

Before installing, please connect to the power supply and test the lights to make sure everything functions properly. If the lights do not work, please refer to the TROUBLESHOOTING or contact us.

LED components are delicate, so please take extra care when installing, no hard pulling, no bending or shaking.

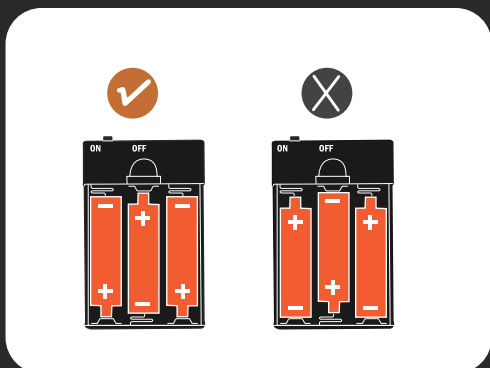

Hide the spare wire under the bricks: when installing, please make sure that the wire is laid between two studs of the bricks, but not pressed by the bricks directly.

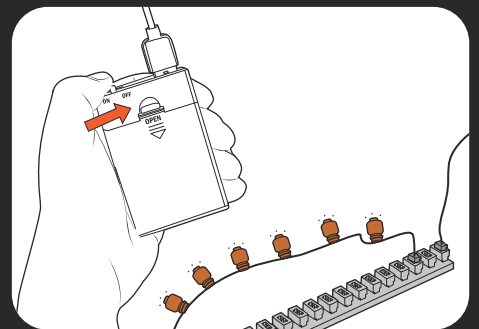

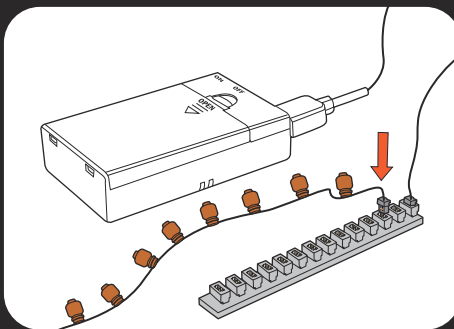

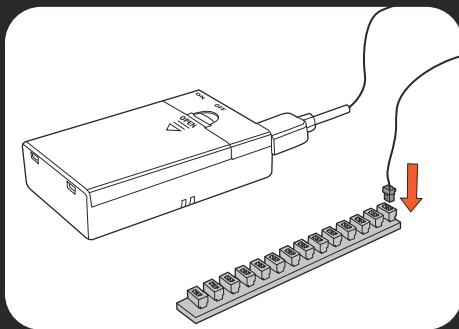

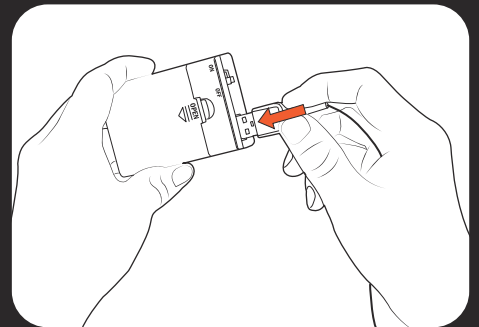

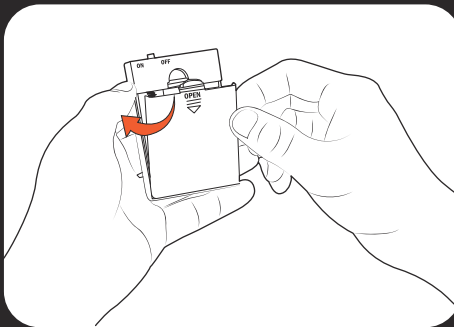

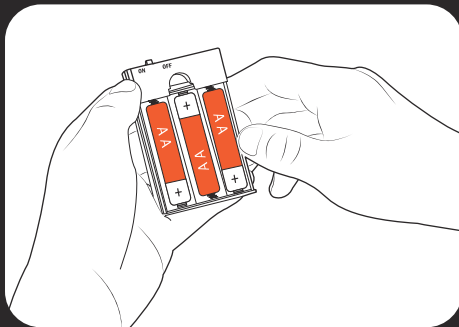

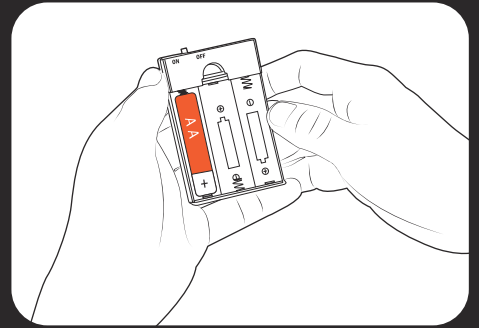

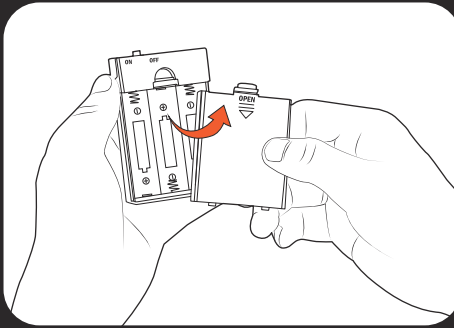

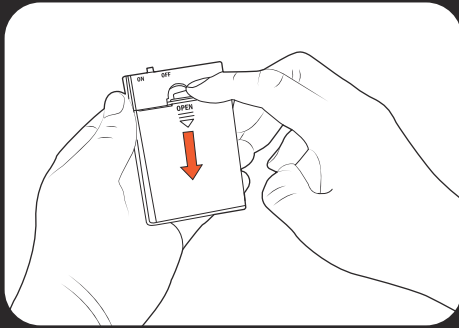

Connectors can be inserted into ports of the expansion board in only one certain way. Make sure the plug's direction is correct before connecting.

Tips: if plug doesn't fit easily into a port, don't force it.

If you use a battery box to power up the lights, you'll need to prepare 3 AA batteries which are not included in this package. For better result, new/unused batteries are recommended. If the battery is not going to be used for an extended period, please remove it from the battery case.

BATTERY BOX USER GUIDE

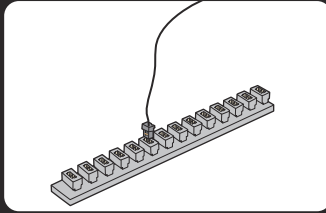

Battery box name: AA/No.5 block battery box

Battery type: AA*3(No.5)

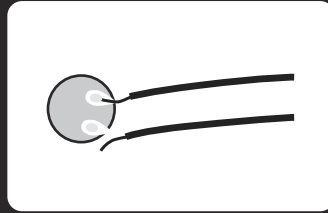

Battery rated voltage: 1.5V

TROUBLESHOOTING

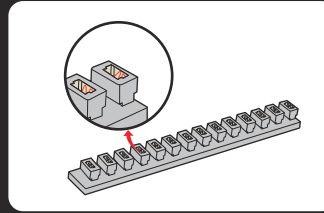

Due to their small size, lighting accessories are susceptible to damage during installation. Common causes of failure include:

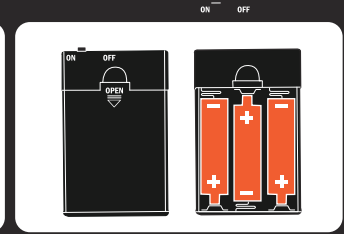

Ensure that the connectors are correctly installed as shown in the picture.

Check if the wires are disconnected or broken from the solder joints.

Check the internal pins of the expansion board. The internal pins of a properly working port should be straight, if the small pins are bent, they may be considered faulty ports.

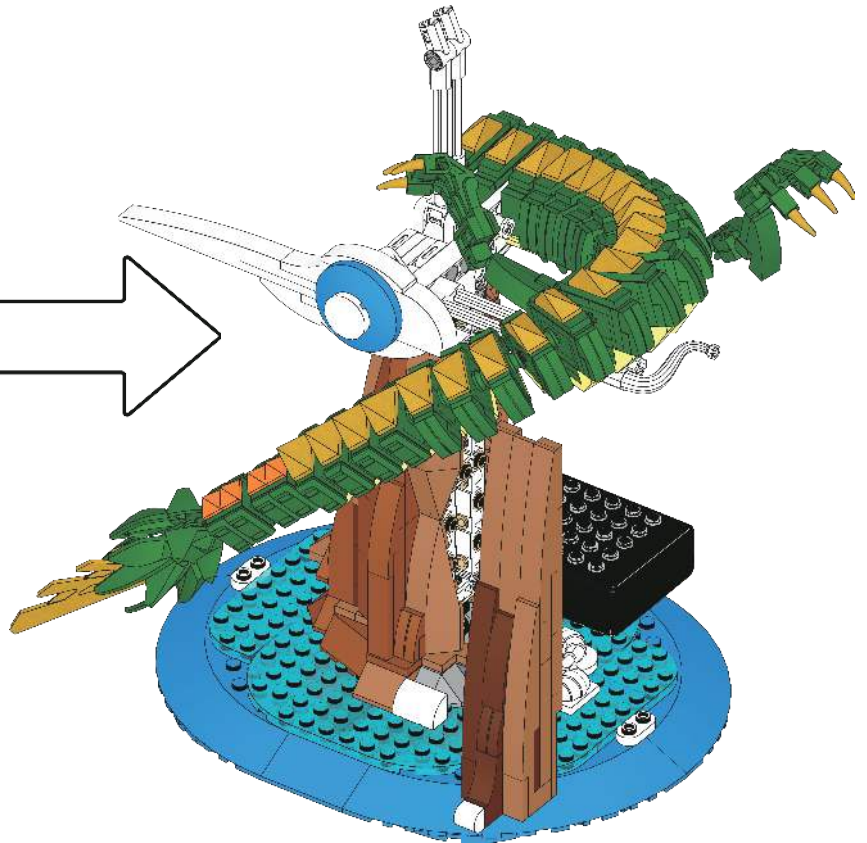

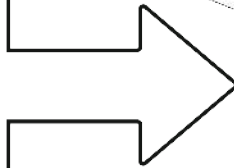

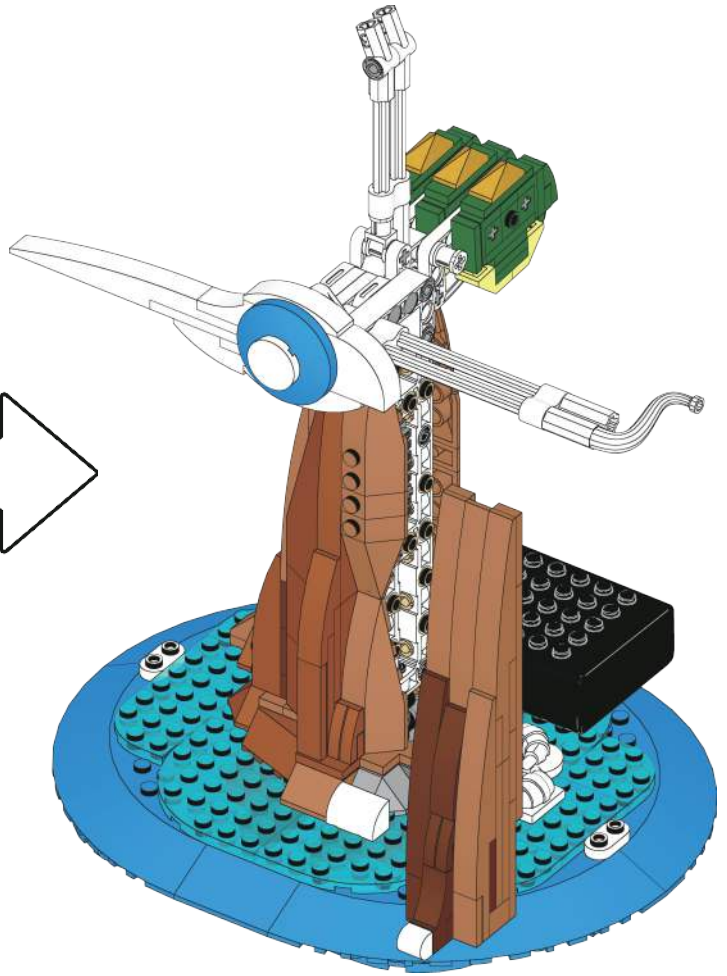

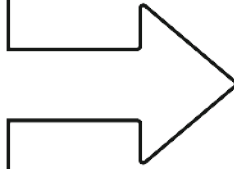

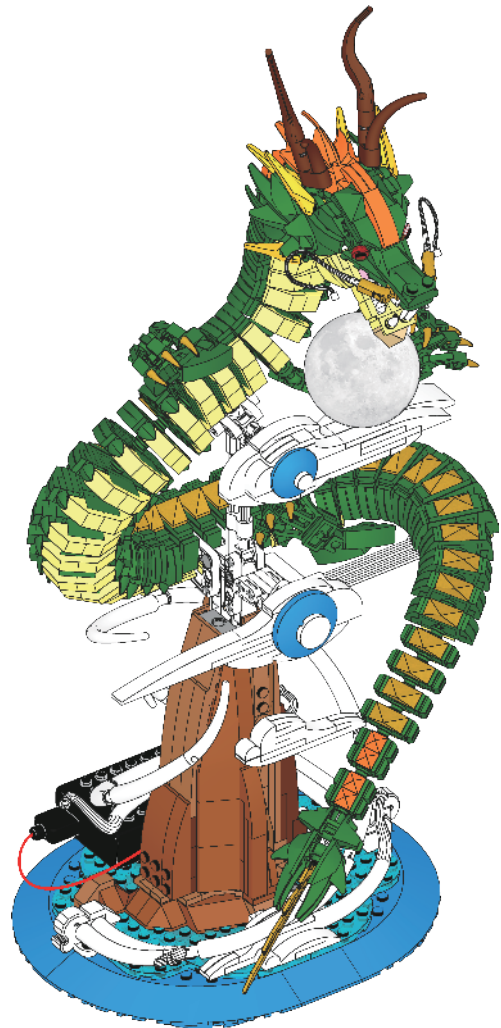

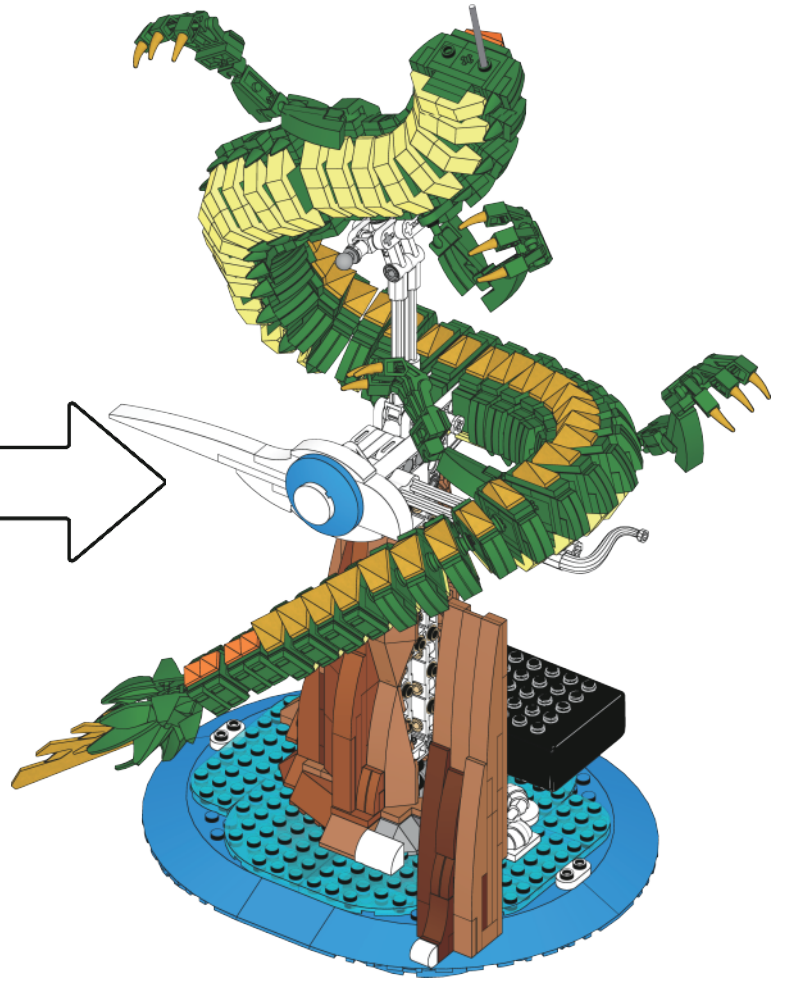

Check that the power switch on the battery box is on and that the "+" and "-" poles of the battery are correctly placed (using new batteries) and ensure that the upper and lower connections to the "+" and "-" poles of the power switch are installed correctly.

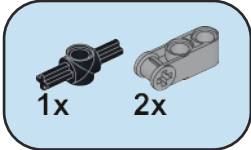

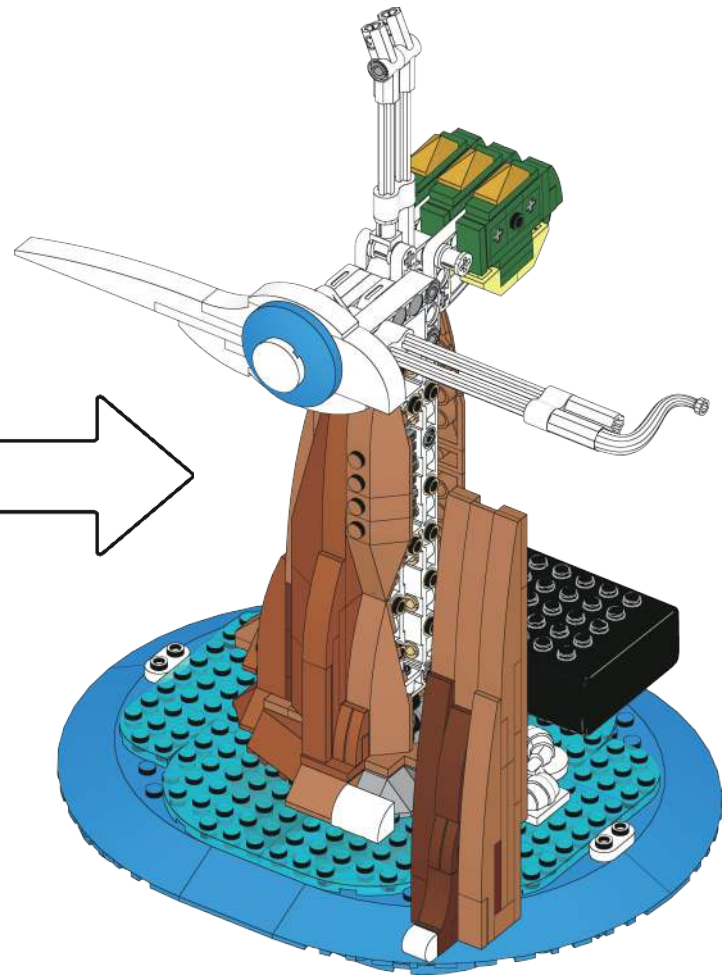

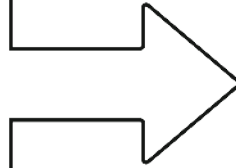

If you have checked each string of lights according to the guide above and the lights are still not working, please contact our customer service for assistance.

SAFETY PRECAUTIONS

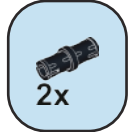

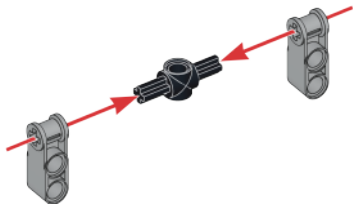

- 1 Before use, please make sure to check the voltage to avoid damage to the product and potential safety hazards.
- 2 The lights in the product are not replaceable. If they are damaged or not lighting up, please refer to the troubleshooting section or contact our customer service for assistance.
- 3 Avoid pulling on the lighting wires as this may cause damage.
- 4 Do not expose the product to water as it may damage the product.
- 5 If the plug does not fit easily into the ports on the board, reverse the direction and insert it again to avoid damage and short circuits, rather than forcing it in.
- 6 Please read and follow the instructions carefully during building to ensure a good building experience.
